Parlor cars and special trains may make 20, 30, or 40 miles seem like reasonable distance for a home, but when you live on the property you will have parlor cars, and you will not have special trains. You will ride in an imary coach, in an ordinary train, and then you will find out just how far

You should go to see property, either for a home or a speculation, in just same way that you will when you live on it or want to sell it, and then you will know what the distance actually is.

You need no special transportation to go to BROADWAY-FLUSHING. Take any train or a trolley car from the East 34th Street Ferry, and you will h the property quicker and easier than any other high-grade property on Long Island. For when you step off the train at the new \$10,000 station, you will not then have to walk or ride to reach the property. You will be right in the centre of it. You will be right in the centre of the 4,000 lots comprising the largest and best real estate development on Long Island. Send for maps, booklet and free tickets.

Garden City Estates

fulness and the choicest surroundings.

At GARDEN CITY ESTATES (Garden City, Long Island) is that famous hostelfy "Garden City Hotel"—patronized by the leading families of America. Until recently this Hotel has always closed during the winter months, but this year it will remain open, thus emphasizing the fact that Garden City, of which GARDEN CITY ESTATES is a part, is an all-year-round home community.

The climate of this beautiful section of Long Island is as balmy as some of the noted winter resorts of New Jersey, and its healthfulness is beyond question. With such architectural ornaments as the Cathedral, the well known Schools of St. Mary's and St. Paul's, the pretty Catholic Church, the public schools and the beautiful residences, GARDEN CITY ESTATES may well be called the most beautiful place on Lorg Island.

The drives, the clubs and golf links give added attractiveness to this locality, and the improvements which residents in GARDEN CITY ESTATES will enjoy are those that city folks are accustomed to and feel they must have no matter where they live.

You could not spend a few hours more profitably or pleasantly than by running down to GARDEN CITY ESTATES on one of these beautiful Autumn days. Prices so low you'll be astonished when you hear them. Send for full price list to-day and learn special inducements.
